Town invites residents to submit straw ballots on parking meters

The **Town Commission** is asking residents and **Town** business owners to voice their opinions on whether the Town should continue to provide two hours of free parking at meters for motorists.

The Commission is conducting a straw poll on the issue, which it will discuss at its **Dec. 16th** meeting.

Paper ballots must be mailed or dropped off at **Town Hall** by the deadline of **Friday, Dec. 12th**.

Town residents and business owners can also vote online by visiting the Town's Web site: www.lauderdalebythesea-fl.gov.

There is a link to the straw ballot info on the Town's Web site home page. By clicking an e-mail link, you can vote yes or no on the issue. The e-mails are: voteyes@lauderdalebythesea-fl.gov and voteno@lauderdalebythesea-fl.gov.

The Commission wants to know if the blue bags on numerous meters in Town should be removed from Town parking meters — or if the Town should leave the bags on the meters, which allow drivers a maximum of two hours free parking.

The poll is not binding on the Town Commission. □

STRAW BALLOT

For a copy of the straw ballot on parking meters, please turn to Page 3. A copy of the ballot is also available on the Town's Web site: www.lauderdalebythesea-fl.gov.

Thanks to all who helped with Halloween

The **Halloween Event Committee** would like to thank the following people for helping make the Town's 'Halloween Fright Night' a great success: Town Commissioner Birute Ann Clotey, Vice Mayor Jerry McIntee, Mayor Roseann Minnet and, of course, Chairman Commissioner Jim Silverstone.

A special thanks goes to all the Town and area families who came out in the most imaginative costumes possible! Judging the costume contests was a tough job!

One way the committee improved on last year was to create an awesome outdoor Trick-or-Treat Trail in **Municipal Park**.

Peggy Mohler did a great job in organizing the local businesses and organizations to sponsor decorated candy tables.

This brought local businesses and Town organizations together to share in the Halloween spirit and community fun while completely offsetting the cost of candy, always the biggest expense. Assisting Peggy with the trail were Mary Ann Wardlaw and Joan Garrett.

The Jarvis Hall party had two disc jockeys from the Volunteer Fire Department: Pete Long and Bob Perkins.

Eric and Kim from Aruba Beach Café kept the popcorn popping and the refreshments flowing. Marc Furth produced an awesome Halloween slide show. Maureen McIntee kept the kids entertained with loads of great games and prizes. Helping Maureen with the games were Bob & Carol Dickman, Chuck and Helen Swinghammer, Judy Jones, Gail Ahbon and Bob and Carol Smith.

Jarvis Hall was ghoulishly transformed with the help of decorator

volunteers, Maureen McIntee, Mary Ann Wardlaw, Gail Ahbon, Vera Dendy, Renee and Rachel O'Neal,

HUGE TURNOUT: The Town's Halloween festivities at Jarvis Hall and in Municipal Park this year attracted hundreds of residents!

Rosa Michauluk, Jim & Peggy, and Marc & Cristie Furth.

HALLOWEEN SPONSORS

The Town of Lauderdale-By-The-Sea, Country Ham & Eggs, Aruba Beach Café, The Village Grille, Citizens Initiative Committee (CIC), American Medical Response, Frame 'n Art Gallery, Ocean Hyperbaric Center, Terra Mar Civic Association, Scrapbook Fanatic, LBTS Community Church, Ocean Reverie Apartments, Integrative Wellness, Blue Moon Fish Co., Casablanca Café, Sal's Towing, Petra Burnam, Lawrence Wick, Volunteer Fire Department, 101 Oceans Beach Restaurant, Bel Air Civic Association, Hamiltons Valet Service, Property Owners Association, Chamber of Commerce and COPS.

The Haunted House is always the highlight. The best compliment came from a child who said, "Now, that's the kind of haunted house you usually pay to go through!"

The Haunted House designers for 15 years have been Marc and Cristie Furth, Rosa Michauluk, and Tom & Marilyn Carr. The Haunted House staff this year included Amy Appol, Guilia Sabatini, Rosa Michauluk and Bob Karley, as well as Jim Silverstone as Count Dracula.

We'd like to thank our terrific face painters: Shivaun Kouhn, Fran Scheffler and Terry Hayden; our costume contest judges, Kim from Aruba Beach Café, Judy Jones, and Irmgard Krame, Peanuts Wick for event flyer delivery, and the VFD for ensuring every excited child was safely escorted between activities.

Thank you to George Crossman and Monalisa Pedderson for being excellent Bougainvillea crossing guards. Thanks to Joe Patton and June Lassell for pitching in just when we needed you! Thank you to Aruba Beach Café for donating all the refreshments! Thank you to *By-the-Sea-Times* for giving us a full page ad on the house! Thanks to Mark Conn for his fabulous military HumVee set-up and outdoor fogger.

And thank goodness for the clean-up crew! Two weeks of day and night labor was brought down and packed away in two days. The amazing VFD brought in 12 firefighters, which is one of the reasons we appreciate the VFD's neighbor-helping-neighbor quality. ■

HALLOWEEN

Town's Halloween festivities draw huge crowd

The estimated turnout for this year's **Halloween** festivities was between 1,500 and 2,000 people. Two Town Commissioners showed up in costume: **Mayor Roseann Minnet** came as a Geisha (right). **Commissioner Jim Silverstone** (See *Event Committee* box) came as Count

Dracula. In addition to the sponsors and volunteers thanked on **Page 5**, the **Event Committee** would also like to sincerely thank Town Staff for all their help, especially **Public Works Director Don Prince** and his crew.

The Committee also wants to thank the Town's seniors and **Senior Center** for giving up their headquarters in **Jarvis Hall** while it was decorated. It is because of all the great volunteers taking time out of their busy schedules and generously giving back to their community in a positive way that give residents even more reasons to say how proud they are to live in **Lauderdale-by-the-Sea!**

The Town Commission plans to establish an ongoing award to recognize individuals who save other people's lives. The first recipient of the award will be Mark Mitchell, a Town of Lauderdale-By-The-Sea resident who saved a woman from drowning in October after she was caught in a rip current near Ocean Colony.

TOWN POPULATION UPDATE

The Town's official population in 2007 was 5,867, according to the U.S. Census Bureau. The University of Florida estimates the 2008 population at 5,852.

SISTER CITIES XMASPARTY

The Town's Sister Cities Association will hold its annual Christmas Party on Friday, Dec. 12th from 6 to 9 PM in the Social Hall at Community Church.

The event is free to all members and friends interested in perhaps joining the organization. Turkey, ham and beverages will be served.

Participants are also invited to bring an ethnic dish to share. There will be musical entertainment and dancing.

Tips for protecting garden plants from green iguanas

Green iguanas are a growing problem in **Town** and across South Florida.

Green iguanas eat shrubs, trees, landscape plants,

orchids and fruits, including mangos, berries and tomatoes. Ornamental vegetation can be destroyed by one large iguana taking up residence in a yard.

In addition to eating plants, iguanas also cause problems by digging nesting burrows that can weaken sidewalks, seawalls and foundations.

Iguana feces are odiferous, unsightly and may harbor Salmonella bacteria. Because iguanas often prefer to defecate in or around water, it is

not uncommon for an iguana to use a private pool as a defecation area.

While the Town is taking measures to help mitigate the problem, there are steps local homeowners can take to protect their yards and gardens from being destroyed:

- Make your yard less attractive to iguanas. Do not feed the reptiles. Even if you like them and don't mind their presence, your neighbors may not feel the same way. Feeding iguanas encourages them to hang around, so please don't do it.

- Plants can be protected by screens or wire cages.

- You can also spray your plants to deter iguanas from eating them. You can coat plants with a homemade mixture consisting of 3 cloves of garlic and 4 red hot peppers mixed into a bucket of water.

- You can buy **Garlic Rid** and spray it on your plants. ■
